

**Hoosier Hills Rifle and Pistol Club  
2010 Training**

**Dates:**

**Saturday-Sunday September 11-12**, 9am-4pm each day

**Description:** A two day customized training session for those wanting to improve their USPSA shooting skills.

**Day 1:** Will include brief classroom session on rules, gear, rules of thumb, strategy, how to practice, and Q and A, and other topics from students. Range time to include draw stroke, bill drills and reloads exercises, other shooting skill drills that can be done in mass. Shooting around barricades and shooting through ports. Engaging targets coming into and while leaving positions, and some basics of shooting on the move and how to practice shooting on the move. The day will end with EL Presidente with pointers on how to shoot stand and shoot stages from boxes and what to practice.

**Day 2:** The focus of the day will be stage breakdown, plan formulation, visualization, trial and error approach, and practice. We will be shooting at least eight different stages and shooting them at least twice a piece.

**ACT will Provide:** Targets, pasters, target stands, target sticks, staples, staple gun, boxes, walls barricades, spikes and all other props.

1 highly qualified instructor for a class of 6-9 students, 2 highly qualified instructors for a class of 10-18 students.
